

BSP-GCMP APPLICATION REVIEW COMMITTEE (ARC) SUMMARY

REPORT PERIOD: OCTOBER 2014 TO MARCH 2015

During the October 1, 2014 to March 31, 2015 reporting period, the Guam Coastal Management Program (GCMP) reviewed and provided comments and recommendations on 15 of 19 ARC applications. Out of the 15 position statements, GCMP recommended 1 application for approval, 11 applications for conditional approval and 3 applications for disapproval.

Of the 4 remaining applications: 1 was withdrawn by the applicant; 1 is currently being held back by DLM; and 2 were received at the end of this reporting period and is pending position statements.

The following table displays information on the number of development reviews conducted by GCMP broken down by permit activity, by municipality, by application filed, and by BSP-GCMP positions:
